

Congratulations, Mickey! You are now certified as a Qualified Installer of Alpha-FLEX™ and HOME-FLEX® CSST.

Print this page, cut out your Qualified Installer Card, and keep it somewhere safe as it may be required by your local building inspector.

For your convenience, we've also emailed a copy of your card to the email address you provided at registration.

Date: 11/9/2013

Installer No.: 2832

I, **Mickey Mouse**, have read the Alpha-FLEX™ or HOME-FLEX® *System Design and Installation Manual* and understand the installation requirements of the Alpha-FLEX™/HOME-FLEX® CSST system. I am a Qualified Installer of gas plumbing per the governing local authority at the location where Alpha-FLEX™/HOME-FLEX® is to be installed, and am aware of all local plumbing and/or building codes applicable to this location.

Alpha-FLEX™ is rebranding as HOME-FLEX®. Same product, new name. Alpha-FLEX™ and HOME-FLEX® tubing, fittings and accessories are completely compatible and interchangeable with one another. Qualified Installers certified to install HOME-FLEX® are also certified to install Alpha-FLEX™.
